

SERVE TOGETHER

DIY PROJECT: Movie Night Kits

Non-Profit: Christina's House

Website: <https://www.christinashouse.org/>

Address: 38 Madison Avenue, Springfield, MA 01105

THE MISSION

Christina's House is a Christ-centered ministry with a mission to educate, embrace, and encourage women and their children who are homeless or near homeless through the love of Jesus Christ. Their vision is to provide the selected mothers and their children with life skills needed to become self-sufficient as they transition from homelessness to permanent and stable environments.

THE PROJECT

STEP 1: Connect to their volunteer coordinator to seek what the needs are for their shelters by filling out their online volunteer request form at <https://www.christinashouse.org/volunteer>.

STEP 2: Spend time as a group reading the mission of Christina's House and praying for the work that they do to end homelessness in our city.

STEP 3: Based on the needs of the shelters, brainstorm with your group the best ways to bless them with a movie night! What type of decorations, goodie bags, and hospitality can you donate to make the day extra fun for the women and children?

STEP 4: Delegate to your group members based on the items that are needed.

STEP 5:

Option A - If you are serving in person as a women's only group, ensure that all team members have filled out background checks and all paperwork has been filled out.

Option B - If you are dropping off the supplies as a party kit for the shelter to use, set a date to put everything together during one of your groups! Create goodie bags for each person with fun snacks and goodies. Take time to write cards of encouragement to the families.

STEP 6: It's time for movie night!
