

REDEFINING POSSIBLE

Experiencing the Reality of the Book of Acts

The book of Acts is more than just the history of the early church. It is a template of the Christian life. Christianity rapidly spread across the Roman Empire in the first century because followers of Jesus saw their faith as more than an add-on to their already busy routines. Jesus *was* their life, and he redefined *possible*.

HOW TO MAKE THE MOST OF THIS READING PLAN

INTENTION

- Set apart 30-60 minutes each day to slowly and intentionally read the chapter assigned.
- Before reading, ask the Holy Spirit to illuminate the truth of God's Word in a new and fresh way in your heart. Believe that he will.

REFLECTION

- After reading, spend time reflecting or thinking deeply on how the text spoke directly to you.
- Do this by sitting quietly before God. Open your heart to his voice. Believe that your Heavenly Father desires to speak directly to you. Just listen.

APPLICATION

- Use the "Reflection and Journaling" questions to record all you sense God spoke to you from Scripture.
- Do this by journaling. If you are new to journaling – give it a try!
- There's no right or wrong way to write out what you sense God speaking.
- And it's often very encouraging to go back and read the thoughts and prayers you took the time to record on paper.
- Remember, all you journal is between you and God.

COMMUNITY

- It's important to talk about what God is doing in your life through this sermon series and reading plan. Being known in community is a critical part of growing in your relationship with God.
- Do this by making time in your calendar for coffee or a walk with a trusted friend.
- Or come ready to share in your community group.
- If you don't belong to a community group, visit <https://voxchurch.org/community-groups> and find a group in your area. If you need help with this, talk to a staff member in your Vox campus.

ABOVE ALL, APPROACH THIS TIME WITH FAITH, BELIEVING IN GOD'S DESIRE TO REVEAL
MORE OF HIS LOVE AND PLAN FOR YOUR LIFE AS YOU SEEK HIM WHOLEHEARTEDLY!

LET'S BEGIN!
